INTERVIEW SUMMARY

On 10 April 2007 and 20 April 2007, Applicants' representative spoke with Examiner Young regarding the Final Office Action mailed 23 March 2007. Applicants' representative noted that the Final Office Action cited new grounds of rejection against originally filed claims. As such, the finality of the Office Action is improper. Examiner Young agreed and indicated that

Applicants' response to the Final Office Action should briefly restate the arguments and note that the pending Office Action will be treated as non-final. Applicants thank Examiner Young for her time and assistance.

Respectfully submitted,

COATS & BENNETT, P.L.L.C.
